

AURORA ENERGY LTD
NOTIFICATION OF ELECTRICITY LINE SERVICE CHARGES

Pursuant to the Commerce Commission's Electricity Distribution Information Disclosure Determination 2012, Aurora Energy Ltd hereby gives notice that the following Distribution and Transmission charges will apply for energy delivery from 1 June 2013. Current charges are also detailed as required by regulation. New prices result from the combination of changed conveyance expenses from PowerNet and increased maintenance and administration costs.

Electricity consumers should note that these charges are not necessarily the same as may appear on invoices from their electricity retailer. If this is the case then any questions should be addressed to the retailer concerned. Charges exclude GST.
