

# OUR PLANS

**Aurora Energy** has a major programme of work underway in Dunedin, Central Otago and Queenstown Lakes to upgrade the electricity network after past under-investment.

WE WANT TO SHARE **OUR PROGRESS** AND  
**UPDATE YOU ON OUR FUTURE WORK PLANS**

## 1 DEVELOPMENT PLANS

**SEVEN KEY AREAS**  
WE'RE IMPROVING  
TO BENEFIT OUR  
CUSTOMERS

- ⚡ Power quality
- ⚡ Customer charter and compensation
- ⚡ Planned outages
- ⚡ Quality data
- ⚡ Asset management
- ⚡ Cost estimation
- ⚡ Quality assurance

## 2 PROJECT AND PROGRAMME DELIVERY PLAN

OUR PROJECTS IN **DUNEDIN, CENTRAL OTAGO** AND **QUEENSTOWN LAKES** FROM NOW UNTIL THE START OF 2025

## 3 SAFETY DELIVERY PLAN

HOW OUR PROJECTS AND PROGRAMMES WILL **REDUCE OUR NETWORK SAFETY RISKS**

## WHAT'S NEXT?

**We want to show customers we're doing what we said we're going to do.**

We'll give you updates on how we're progressing with our plans with yearly Annual Delivery Reports - keep an eye out for the first update later this year.

All three plans are available on our website **[www.auroraenergy.co.nz/disclosures/delivering-our-cpp](http://www.auroraenergy.co.nz/disclosures/delivering-our-cpp)**
